Dear St. Michael Families and Friends,

October 11, 2017

It is beginning to feel like and look like Autumn. There are so many fun activities to do around town; I hope you are able to schedule some time to enjoy the beautiful weather.

Friday our 8th Graders went to Camp Kern. They spent the day doing team building and leadership activities. Since then there has been an amazing amount of positive energy coming from them. I have thoroughly enjoyed talking with the students and hearing all about their adventure.

This week, students in Grades 1-4 watched a performance, "Kilowatt Kitchen", provided by Duke Energy. They sent enough materials for the entire school. One item is a card to request a free Energy Kit. This kit contains items to save energy at home. If 100 families request the FREE kit, St. Michael School will automatically receive \$250. You may share the website, [www.myenergykit.org](http://www.myenergykit.org), with your family and friends and ask them to list St. Michael Parish School.

As you know, next week we will have conferences on Monday, Tuesday, and Wednesday. For those of you still trying to schedule, the scheduling site is active through Friday. Unfortunately, Option C does not send out reminders; please put your scheduled time on your calendar. On Monday, Grade 4 will be in the Ministries Room (follow the arrows) and Grades 5/6 will be in the Multi-Purpose Room. Grades 7/8 will be in the Multi-Purpose room on Tuesday. School will be closed Thursday and Friday.

Wednesday morning at 8:15, we will have our Walk-A-Thon rally. The students are encouraged to wear their Walk-A-Thon t-shirts to school. All are welcome! This is when the coveted Golden Sneakers will be awarded! This year, the committee is also awarding gift baskets.

Until next week...

Yours in Christ,

*Carolyn Murphy*
