

Due to Covid-19, students will need to supply their own basic art supplies this year. Students will be having art in their classroom. Most of the supplies are already required by the classroom teacher, so there is no need to buy double for Art. There should be a minimal amount of additional supplies your child will need. Please use a large Ziplock bag to store supplies. Students should bring their supplies home if school has to go to remote learning so they can continue working on their art projects.
