

COATS FOR THE COMMUNITY

A collection of winter items.

My name is Grace Fenton, and I am a senior at Mount Notre Dame and a St. Michael parishioner. As a senior I get the chance to organize a capstone project. I am working with St. Vincent De Paul to collect **hats, gloves, scarves, socks, and slightly worn coats** for our neighbors in need. I will be setting up a collection barrel in the Gathering Space for donations to be dropped off. If you are able to leave a donation, that would be greatly appreciated. Thank you for your generosity, I hope you all are staying safe and healthy!
