

NON-PUBLIC TRANSPORTATION REQUEST FORM 2020-2021

Dear Parent/Guardian:

In order to serve non-public schools efficiently, First Student/Princeton Transportation needs to know if your student(s) will be requesting its services for the upcoming school year. Please note routes are reviewed annually and a new form must be **completed annually** for each student requesting transportation.

Please complete the following steps to request transportation:

1. Please return this form to First Student/Princeton Transportation, by July 1, prior to the new school year. Forms received after July 1 will be processed two (2) weeks after the first day of school. Requests for transportation submitted after July 1 will be processed separately.
2. Make sure you mark your anticipated usage (Every day or *Occasional)
3. If you have a Kindergarten or Preschool student, indicate: AM, PM or ALL DAY attendance.
4. Please fill out one form for each student.
5. Transportation is provided between school and home. If you would like for your student to be picked up or dropped off at an alternate address, you must complete the "Transportation Change" form found on the Princeton website or available from school offices.
6. Please note: If *occasional transportation is marked, it will be the student's responsibility to notify transportation at 513-554-0105 the day prior to needed transportation.*
