TUITION 2020-2021

In order to be eligible for the parishioner tuition rate, the family must attend Mass weekly at St. Michael Church and use your church envelopes regularly. We do understand occasional absences due to vacations or illness, but for the most part you should be attending Mass here at St. Michael.

Your tuition funds will be collected by Electronic Fund Transfer (EFT) from your checking or savings account. This method will be at no cost to you.

All tuition will be collected through this program unless you are making one payment, by CHECK, before school starts. The monthly amount will be taken out of your account on the **5th or 20th** of each month. If you sign up for the 10-month payment plan, your account will be debited beginning July and ending April. If you choose the 4 or 8-month plan, your account will be debited beginning in August, and ending in February for the 4-payment plan; March for the 8-payment plan. The Chromebook Support Fee of \$50 per student in 5,6,7,8 grade will be added into your total tuition, and then split into payments.

If you find the funds will not be in your account on the date you have chosen, you must call or email the office (do not leave a message) **3 days before the date you have chosen**, in order to stop the funds from being pulled from your account for that date. We will then set up another day that month for the EFT. If you do not notify us of low funds and the money is not there, a \$30 NSF (non-sufficient fund) fee will be charged to your account.
